

Hello, My name is Dean Gould

4/29/2010 ✓

Born and raised in King Cove, I'm a King Cove Corp. Shareholder, tribe member, 25 years in King Cove City Council. I'm also the KCCorp. president and Dde member of King Cove and Cold Bay.

I strongly support the land exchange leading up to the approved of construction to the KCC/Cold Bay Road. Every year my wife & I go to Cold Bay and into the Szyamuk Refuge, we are amazed all the road improvement that the fish & game does every year, pretty soon they will be paved.

Having a son/daughter and two grandkids living here. This road would make their lives a lot better.

There are lots of stories I could tell you about traveling back & forth to Cold Bay over all these years, but to you they will be just stories. But to us they are nightmares.

thank you

Dean Gould
